HISTORY/FACTS/ISSUES:

In August 2010, the Sumter BOCC entered into contracts (ITB-164-0-2010/AT; ITB-167-0-2010/AT; ITB-168-0-2010/AT) with Wildwood Auto Repair & Wrecker Service, Inc. for Light and Heavy Vehicle Service, Maintenance, Repair & Towing. This contract was for a period of one (1) year, with allowances of two (2) additional one year terms. This vendor has met the performance expectations during the performance period, however, it is anticipated that additional vendors may now be available to bid on the services required. Therefore it is requested that the BOCC approve an extension of the service contract with Wildwood Auto Repair & Wrecker Service, Inc. until April 10, 2012, to allow time for the preparation and processing of a new ITB for these services.
